

Category: Wood Care and Cleaning Solution

Type: Multi-Surface Cleaner for Wood

Product Description

Woodshine Cleaner is a specialized cleaning solution formulated to clean and maintain all types of wood surfaces, including laminate, parquet, hardwood, and engineered wood. It effectively removes dirt, dust, grease, and smudges without damaging the wood or its finish. Woodshine Cleaner enhances the natural beauty of wood, leaving a streak-free shine and a fresh, pleasant fragrance.

Key Features

Safe for all types of wood surfaces, including laminate and parquet.

Gently cleans without scratching or damaging finishes.

Non-abrasive and non-toxic formula.

Leaves a streak-free, polished finish.

Suitable for residential and commercial use.

Pleasant fragrance that freshens the room.

Advantages

Restores wood surfaces to their natural shine and luster.

Cleans effectively without leaving residue.

Safe to use on varnished, oiled, and waxed wood finishes.

Prevents build-up of dirt and grime.

Enhances the appearance and extends the lifespan of wood surfaces.

Usage and Application

Usage: Designed for cleaning and maintaining wood furniture, floors, and other wood surfaces.

Application Method: Spray Woodshine Cleaner directly onto the surface or onto a clean cloth.

Wipe down the wood surface gently, following the grain.

Buff with a dry cloth to achieve a streak-free shine.

For heavy-duty cleaning, repeat the process as necessary.
